Event preview: Team technical routine

2017.07.16. 14:57 CET

- Russia won all five previous editions of the team technical routine at the World Championships.
- Russia achieved its best points tally at the inaugural edition of this event in 2007: 99.000.
- Aleksandra Patskevich (RUS), Alla Shishkina (RUS) and Angelika Timanina (RUS) have won a record four gold medals in this event.
- Beside Russia, only Spain (S2-B2), China (S2-B1), Japan (S1-B1) and Ukraine (B1) have ever claimed a medal in this event.
- At the last four editions of the World Championships Spain (2009, 2013) and China (2011, 2015) claimed the silver medal in the team technical routine.
- The team (other than Russia) closest to win this event at the World Championships was Spain in 2009 when they finished exactly 1 point behind Russia (98.833 to 97.833).
